Don,

Please submit either a letter (on District letterhead) signed by an official representative of the BID's Board that an assessment increase for the District was authorized for 2014 or a copy of the minutes from the meeting at which the increase was approved. Also, please specify the percentage of the increase. We need this documentation on file in order to place the increased assessment on the County's tax roll.

Please contact me or Dennis Rader if you have any questions or require additional information.

Thank you.
